THE OHIO GENEALOGICAL SOCIETY

PUBLISHED QUARTERLY BY THE OHIO GENEALOGICAL SOCIETY, 419 W. THIRD ST., MANSFIELD OH 44906

THE REPORT

Carol Willsey Bell, C.G.
Editor

Paul Midlam
Book Review Editor

Luetta Bollinger Coates
Editorial Assistant

THE REPORT welcomes manuscripts of Ohio material for proposed publication. All manuscripts should be addressed to: Editor, THE REPORT, 4649 Yarmouth Lane, Youngstown, Ohio 44512.

The manuscript should be typed on standard-sized paper and have the author's name on each page; the pages should be numbered. A cover letter, giving permission of the author to publish the material in THE REPORT, should accompany the manuscript.

When sending photocopies of original old manuscripts, such as handwritten Bible records, please send a typed transcript for us to work from; it is usually much clearer on the original in your possession than on a photocopy.

The types of records requested for publication include Bible records, Ohio county court records (marrieages, deed abstracts, naturalizations, will abstracts and others), Ohio cemetery inscriptions (do NOT alphabetize), "How-To" articles (the use of special collections, holdings of a particular depository, etc.), abstracts of Ohio newspapers, brief family genealogies with Ohio connections (fully documented) and other material of an unusual but useful nature. The Editor makes the final decision on publishing material. Following publication, all original material is placed in the Ohio Genealogical Society Library in Mansfield. Every effort is made to present authentic material, but The Ohio Genealogical Society cannot be responsible for the accuracy or the publishing rights of the material furnished by the contributors. All material is published with the permission of the contributor.

THE OHIO GENEALOGICAL SOCIETY is a non-profit, federally tax-exempt, State-Chartered organization. Individuals, libraries, or societies may apply for membership. Annual dues are $16.00 (individuals) and $20.00 (joint members at the same address) for the calendar year. All members receive the quarterly journal, THE REPORT, and the monthly NEWSLETTER with membership.

ANCESTOR CHARTS

If you wish to have your 5-generation ancestor chart considered for publication, send a copy to Mrs. Luetta Coates, 3261 Ridge Road NE, Cortland, OH 44410. Charts submitted to OGS Headquarters are NOT automatically sent to THE REPORT for publication. These are two separate projects. Only charts of MEMBERS will be published, in the order received.

BOOK REVIEW POLICY

Books which are currently in print and available for sale will be reviewed in THE REPORT upon receipt of a gratis copy donated to the O.G.S. Library. Complete ordering instructions and price must accompany the book and be mailed to O.G.S.Headquarters. All other materials donated to the Library will be listed in the Accession List published in the monthly NEWSLETTER.

New members received through April 13, 1986

H.S.RITTER, CHAIRMAN

Editor's note: For the first time in THE REPORT, the FFO Roster is being presented in alphabetical order by name of the Pioneer, instead of in the order of acceptance showing the new member with each ancestor's name. It is hoped that the new format will facilitate research by listing pioneers alphabetically. CWB.

EDUCATION COMMITTEE CONTENT WINNER

Jana Broglin, Chairman

A UNION SOLDIER

by VALERIE SHREFFLER, 509 Kingswood, Celina, OH 45822

[Valerie Ann Shreffler, born 14 Feb 1970, is the first winner of the Education Committee's Genealogical Writing Contest.]

Cyrus Fickes, age twenty-one, departed during the final year of the Civil War from his ancestorial home of Fishertown, Pennsylvania, for the sole purpose of becoming a Union soldier. After enlisting in Harrisburg, Pennsylvania on August 26, 1864, he mustered into service at Fort Curtin as a private in C Company, 200th Volunteer Regiment.[1] Being five feet, seven inches tall and having brown eyes, black hair, and a dark complexion, Cyrus Fickes would prove to be a typical Union soldier.[2]

During the summer of 1864, the military situation was unclear. True, General Ulysses S. Grant, along with the Army of the Potomac, had crossed the Rapidan River in early May to begin their battling in the Wilderness. After commencing through Spotsylvania and Cold Harbor, Grant's forces were to the threshold of Petersburg by June. However, due to the enormous number of casualties sustained by the Union forces (totalling over 60% of Grant's army) replacements were urgently needed in large numbers.[3] Through a state-wide canvas rather than a specific location, the 200th Pennsylvania Volunteer Regiment was raised as a partial answer.- Members of this regiment, inclyding Private Fickes, received bonus money if they enlisted for one year.[4]

The ink on Cyrus Fickes' enlistment papers was scarcely dry when, on September 9, he found himself in Petersburg.- Being initially assigned duty in and around City Point (the location of general headquarters and the central supply depot), Private Fickes apparently carried out his duties responsibly.[5] Unfortunately the same could not be said of his personal finances because of the $10.00 he owed to a sutler. Some may think this an inconsequential sum, but considering he only earned $13.00 per month, it was far from trifling.

When December arrived the 200th and five other Pennsylvania regiments were transferred to the third division of the IX Corps. They were to move into a reserve position at the front lines near Fort Steadman.[6]

Time was expiring for Lee. Survival for the South depended on Lee disengaging his army and joining forces with General Joe Johnston in North Carolina. To that end, Lee ordered a surprise attack, in the predawn hours of March 25th, on the area around Fort Steadman.[7] Having quickly captured the fort and seized the surrounding trenches, the Rebels caused a gaping hole in the Union lines.

Sometime after 5:00 A.M., Union Brigadier General Hartrouft received orders commanding him to throw his third division into the Rebel onslaught.[8] Cyrus Fickes and his fellow Pennsylvanians marched into battle for the first time. Although having fought bravely, the 200th was said to have wreched itself in order to halt the Southern charge.[9] Private Fickes became one of the 123 casualties from the 200th,.[10] It is unclear as to whether his wound was inflicted in the initial skirmish or in the vicious hand-to-hand combat which took place while clearing the trenches. By 8:00 A.M., however, the main threat had passed and Cyrus Fickes found himself travelling towards the Depot Field Hospital in City Point for treatment. He had received a slight gunshot wound to his right hand.

On April 5, 1865, doctors processed him through Carner General Hospital, Washington, D.C., and then sent him on to Mower General Hospital in Philadelphia. Arriving on April 8, one day prior to Lee's surrender, he was assigned a room in Ward #4, where he stayed until deemed well enough to be discharged on June 6, 1865.[11]

Why did he spend almost ten weeks in the hospital for a supposedly superficial wound? Several years later Charles Miller, a life-long friend and comrade in Company C of the 200th, wrote this concerning Cyrus: "The first time I saw him right. He came home in June, 1865."

At any rate, following his discharge he returned home with five months' backpay plus $42.36 in clothing allowance and $33.33 in bounty money.[12] He resumed his previous occupations of a farmer and carpenter.

Then, two months later, on August 31, 1865, Cyrus Fickes joined with Emma Hancock in wedded matrimony. This joyous union produced five children which Cyrus, unfortunately, would never see reach adulthood. He passed away at the age of thiry-three on July 17, 1876. His family buried him in the cemetery next to St.Lukes Reformed, the very church which he had helped build.[13]

The 1870's were hard times for the Fickes family. Within one year of Cyrus' death tragedy struck again when his only son died at the age of twelve. Also, because of the financial situation, at least one of the four daughters were periodically sent to live with relatives.

Relief from this pecuniary difficulty came in 1880 when the Federal government decreed a law stating that widows of qualifying veterans receive pension benefits.[14] In her application for this widow's pension, Mrs. Fickes stated that her husband died of "bilious colic and rheumatism" caused by his service in the Great War. Supporting her claim, Samuel Statler, the family physician, wrote that Cyrus Fickes departed for the war in excellent health but returned with a slowly debilitating condition. At certain times, this condition made him incapable of doing manual labors. Doctor Statler's professional opinion was that Cyrus Rickes passed away as a result of "rheumatism of the heart." Admitting that his first written record of Cyrus Fickes' deteriorating condition was not until April 12, 1871, the doctor nevertheless believed that the veteran's physical degeneration was due to the war.[15]

With this and the additional assistance acquired from the law firm of Bellum Miller, Mrs. Fickes' claim for the widow's pension was deemed valid. As a result, she received $8.00 a month for the remainder of her life.

The Civil War produced hundreds of heroes that proceeded to live long and prosperous lives. Cyrus Fickes, like thousands of his contemporaries, certainly did not belong in this category. Although he suffered, and indirectly his familysuffered, they gained no earthly rewards other than the knowledge that they had helped to preserve their nation.

ADOPTION IN OHIO

CHAPTER 3705.18 OHIO REVISED CODE

3705.18 REGISTRATION OF ADOPTION

(A)(1) Following the entry of each final decree of adoption granted in this state, after January 1, 1964, the court entering the decree shall forthwith forward to the department of health a certificate of adoption that is certified by the probate judge or by his deputy, that attests to the fact that the decree has been entered, and that (it) contains the information that is necessary for the department to prepare a new birth certificate for the adopted child, except that if the birth of the adopted child occurred in another state, the court shall forward such a certificate of adoption to the department of health of the state in which the birth occurred. Upon receipt of a certificate of adoption, unless otherwise requested by the adoptive parents, the department shall issue a new birth certificate using the child's adopted name and the names of and data concerning the adoptive parents. The new birth certificate shall have the same overall appearance as the certificate that would have been issued under section 3705.14 of the Revised Code if the adopted child had been born to the adoptive parents. Where handwriting is required to effect that appearance, the department shall supply the handwriting.

(2) Upon the issuance of the new birth certificate, the original birth certificate shall cease to be a public record. The department shall place the original birth certificate and the certificate of adoption in an envelope and seal the envelope. The contents of the envelope shall not be open to inspection, be copied, or be available for copying, except that the department shall copy and provide an agency with a copy of the original birth certificate upon the presentation by the agency, by mail or in another reasonable manner, of a certified copy of an order issued by a probate judge under section 3107.41 of the Revised Code, except that the department may inspect the envelope to determine the court involved in an adoption and provide the name of that court to the department of human services under the circumstances described in division (D)(4) of section 3107.12 or section 3107.121 [3107.12.1] or provide the name of that court to an agency under the circumstances described in division (B)(2)(b) of section 3107.41 of the Revised Code, and except that the court that decreed the adoption may order that the contents be made open for inspection or available for copying.

(3) The department of health shall promptly forward a copy of the new birth certificate to the local registrar of vital statistics of the district in which the birth occurred. The local registrar shall file a copy of the new birth certificate along with and in the same manner as the other copies of birth certificates in his possession. All copies of the original birth certificate and all other papers, documents, and index references pertaining to the original birth certificate in the possession of the local registrar or the probate court shall be destroyed, except that the probate court shall retain permanently in the file of the adoption proceedings information that is necessary to enable the court to identify both the child's original birth certificate and his new birth certificate.

The new birth certificate, and any certified or exact copy of the new birth certificate when properly authenticated by a duly authorized person, shall be prima-facie evidence in all courts and places of the facts stated in the new birth certificate.

(B) When the adoption of a child whose birth occurred in this state is decreed by a court in another state and when the department of health has received, from the court that decreed the adoption, an official communication containing information similar to that contained in the certificate of adoption for adoptions decreed in this state, division (A) of this section shall apply to the child's case just as if the adoption had taken place in this state. The department shall place the original birth certificate and all papers and documents in its possession that pertain to the original birth certificate or to the adoption of the child in an envelope and seal the envelope. The contents of the envelope shall be open to inspection and be copied or available for copying, and a copy of an original birth certificate shall be provided, only as authorized by division (A) of this section for adoptions decreed in this state.

(C)(1) No original birth certificate of any person whose birth occurred in this state and whose adoption was decreed prior to January 1, 1964, no birth certificate in the adopted name of any person whose birth occurred in this state and whose adoption was decreed prior to January 1, 1964, and no papers or documents that pertain to either such type of birth certificate or to the adoption of any such person shall be sealed on or after the effective date of this amendment.

(2) Original birth certificates of persons whose births occurred in this state and whose adoptions were decreed prior to January 1, 1964, and papers and documents that pertain to original birth certificates or to the adoptions of such persons, that are in the possession of the department of health, and that were sealed pursuant to division (C) of this section as it existed prior to the effective date of this amendment or that were mistakenly or otherwise sealed, shall be open to inspection by and either shall be copied or made available for copying by the adopting parents, the adopted person, or any lineal descendant of the adopted person, upon request. In all other cases, such an original birth certificate and such papers shall not be open to inspection, be copied, or be available for copying, except that the department shall copy and provide an agency with a copy of the original birth certificate upon the presentation by the agency, by mail or in another reasonable manner, of a certified copy of an order issued by a probate judge under section 3107.41 of the Revised Code, except that the department may inspect the envelope in which they are sealed to determine the court involved in an adoption and provide the name of that court to the department of human services under the circumstances described in division (D)(4) of section 3107.12 or section 3107.121 [3107.12.1] or provide the name of that court to any agency under the circumstances described in division (B)(2)(b) of section 3107.41 of the Revised Code, and except that the court that decreed the adoption may order that the contents be made open for inspection or available for copying.

(3) Birth certificates in the adopted names of persons whose births occurred in this state and whose adoptions were decreed prior to January 1, 1964, and papers and documents that pertain to such birth certificates or to the adoptions of such persons, that are in the possession of the department, and that were sealed pursuant to division (D) of this section as it existed prior to the effective date of this amendment, shall be open to inspection by, and either shall be copied for or made available for copying by, the adopting parents, the adopted person, or any lineal descendant of the adopted person, upon request. In all other cases, such birth certificates and such papers and documents shall not be open to inspection, be copied, or be available for copying, except that the court that decreed the adoption may order that the contents be made open for inspection or available for copying.

(D) An adopted person whose birth occurred in this state, whose adoption was decreed prior to January 1, 1964, who did not have a new or reissued birth certificate in his adopted name prepared pursuant to division (C) or (D) of this section as those divisions existed prior to the effective date of this amendment, and whose adoption is in full force and effect, may apply to the department of health at any time for the preparation of a new birth certificate in the person's adopted name. Upon receipt of such an application, the department shall prepare a new birth certificate in the person's name, in accordance with, and in the form described in, division (A)(1) of this section. Upon the preparation of a birth certificate in that form, the original birth certificate of the applicant or the birth certificate issued in the adopted name of the applicant prior to January 1, 1964, that is being replaced, whichever is applicable, shall cease to be a public record; however, the department shall maintain that birth certificate and papers and documents that pertain to it or to the adoption of the applicant and upon request, the adoptive parents of the applicant, the applicant, or any lineal descendant of the applicant may inspect that birth certificate and those papers and records at all reasonable times and may copy it or any of them or obtain a copy of it or any of them at cost from the department. A birth certificate in an applicant's adopted name prepared by the department under this division, and any certified or exact copy of it that is properly authenticated by a duly

The Ohio & Indiana Rail Road was completed to Ft. Wayne lait in the fall I was elected a director of the road that fall and served one year and got adquainted with the working of the road and the financial condition of the road we got no cash dividends but a stock division of 7% wich made me satisfied to hold my stock 1857 Sep bot 53 acres ajoining the town of Van Wert for 2000$ the same month bot 234 acres of land that I turned into the R Road for stock cost 1879$

TO O.G.S. MEMBERS

THE PRECEDING ARTICLE, BY OUR PRESIDENT, JULIE M. OVERTON, IS AN EXCELLENT EXAMPLE OF WHAT CAN BE DONE BY OUR MEMBERS FOR THE BENEFIT OF ALL OHIO RESEARCHERS. THE EDITOR IS A STRONG BELIEVER IN "PAYING YOUR DUES, GENEALOGICALLY"...BY PROVIDING MATERIAL WHICH CAN BE OF HELP TO OTHERS. HOW MANY TIMES HAVE YOU BEEN HELPED BY SOMETHING WHICH ANOTHER PERSON TOOK TIME TO GATHER AND COMPILE ??? HAVE YOU TAKEN TIME TO "PAY YOUR DUES" BY PROVIDING MATERIAL TO HELP OTHERS??? HAVE YOU "DONE UNTO OTHERS" AS YOU WOULD HAVE THEM DO UNTO YOU??

THIS IS AN APPEAL TO OUR MEMBERS WHO LIVE OUTSIDE OF OHIO TO ABSTRACT A COUNTY HISTORY FROM YOUR PART OF THE COUNTRY, ESPECIALLY FROM THE STATES WEST OF OHIO. USING JULIE'S ARTICLE AS AN EXAMPLE, AND SEND IT TO THE REPORT TO BE PUBLISHED. THIS TYPE OF DATA IS HIGHLY VALUABLE, AND VERY OFTEN PROVIDES THE MAIDEN NAME OF A WIFE WHICH CANNOT BE FOUND IN OHIO RECORDS. IN ADDITION, IT PROVIDES FACTS ABOUT THE MIGRATION OF FORMER OHIOANS, A TOPIC WHICH HAS NOT BEEN COVERED AS EXTENSIVELY AS IT MIGHT BE.

LET US HEAR FROM YOU !!!

CAROL WILLSEY BELL, C.G., EDITOR, THE REPORT

CINCINNATI PIONEERS

Mary Remler*

THE CINCINNATI PIONEER by John D. Caldwell (1873, pages 19-29) contains a list of the "Roll of Members, Class of 1812", showing those who belonged to that class, having arrived in the North West Territory and in the State of Ohio after 1803. Also given are dates and places of birth. An earlier list was published in THE REPORT 24:3:170. In 1872, the Constitution was amended to provide (on payment of two dollars) that those in Ohio on or before 4 July 1815 might become members of Class No. 2, which is published on page 30 of the same work.

It is obvious that there are some errors in the list, primarily incorrect dates, such as Thos.Henry Yeatman, listed as born 1865, but a native of Cincinnati in 1805. In a few cases, some additional information is given in the actual record, which should be consulted. The copy has been placed on file at the OGS Library.

COLUMBUS HIGH SCHOOL, CLASS OF 1884

Joanna Harmon Ross*

Emma Parsons, my husband's grandmother, came to David City, Nebraska to teach school following her graduation. She married Jacob Gans Ross in 1888. At her death in 1896, her obituary stated she graduated from high school in Columbus, Ohio, on June 26, 1884 with high honors and prized her diploma very highly. Research to prove this statement resulted in the following list, taken from the COLUMBUS DISPATCH of 26 June 1884. The list also indicated who gave orations, and the topic, along with descriptions of some of the young ladies'costumes.
Emma Parsons gave an oration titled "Bad Bread" and she wore Persian lawn, with Swiss embroidery and ribbon. There were 50 girls and 17 men who graduated.

Graduation ceremonies were held at Comstock's Opera House, with prayer by Rev. Francis E. MARSTEN of the First Presbyterian Church

THE MATHES FAMILY

Jan Bowlin*

A nine-page historical sketch of the Mathes family was found among papers belonging to my grandmother, Marjorie ZEHNER, who is mentioned in the history. George MATHES was her grandfather. It is believed this was published at one time. As children, my sister and I both remember reading a story of the Mathes family in a small paperback book. The book, unfortunately, has been lost, but perhaps these typewritten pages are copies of the original manuscript. It is titled "THE MATHES FAMILY: A HISTORICAL SKETCH by George Mathes, Toledo, Ohio, 1905."

[Ed.note: This narrative has been abstracted for genealogical clues, and the entire manuscript has been filed at the OGS Library]

Great Grandfather Mathes was Swiss by birth, and a wagonmaker by trade. While a young man, he located at Hunspach, a small village in Alsace, France. He was active in the great stone church here. He died in Hunspach.

His family consisted of 2 sons: one entered the French Army and it is believed he came to America with Lafayette and fought in the American Revolution. The other son, Grandfather Mathes, also became a wagonmaker. He migrated to America. His family consisted of 5 sons and 2 daughters. He settled near Rome, NY, where he died.

Two of his sons remained in the homeland when their father migrated. They were Father, Martin Mathes & George Mathes. The latter settled in Orleans Co., NY.

Martin Mathes left Hunspach in April 1844. In the party were the immediate family, except Elizabeth, who was born in America, and a few neighbors. I was only 10 years of age. We went from Hunspach to Havre, France, a 9-day journey. Here we embarked on a sailing vessel, the trip taking 30 days, ending in New York. Here we took a steamboat for Albany, and then a canal boat for Buffalo, a journey of 15 days. At Buffalo we took a boat for Cleveland, where we hired a team to take us to Canaan, Ohio, where Father bought a farm of 80 acres, and spent the remainder of his days, dying in 1883 at age 78 years. Mother survived him, dying at Wooster, Ohio, at the home of her daughter, Mrs. Sarah Brumter, in 1891, aged 84 years. Her maiden name was Margaret Rott.

Father located at Canaan, although he had originally intended to locate in New York. After learning it was not "wheat country", he determined to continue west. The canal boat reached the small village where Grandmother Mathes lived, Grandfather having died in the interim. We visited Grandmother & two uncles who lived nearby.

The family of Martin Mathes, of which I am a member, consisted of 4 sons & 4 daughters: Margaret, Martin, Salome, George, Barnhart, Frederick, Barbara & Elizabeth.

Margaret, the eldest, married Jacob Weimer, a farmer in Holmes County & had 11 children, of whom 9 grew to maturity. They are Barbara, Sarah, Martin, George, Charles, Lena, Caroline, Ellen & Edward. Mrs. Weimer died in 1891 aged 65 years; Mr. Weimer died in 1900, aged 89 years.

Salome married Jacob Brumter of Wooster, Ohio, and had 8 children: David (deceased), Samuel, Edward, Margaret, Louisa, Mary, Emma and Ellen. Mrs. Brumter died in Wooster in 1902, aged 75 years, having survived her husband several years.

Barnhart married Angaline Fritz and located near Fulton, Michigan. They had 3 sons: Charles, Edward & Nevin. Barnhart at present lives in Goshen, Ind.

Frederick married Catherine Fritz and later moved to Fulton Co., Michigan. He moved back to Ohio where he died in 1876, about 9 years before his wife. They are survived by one son, George, pastor of a Congregational church in California.

Barbara died at home in 1865, aged 23 years.

Elizabeth married Thomas Hope & lives in Fulton, Mich., having 7 children: Charles, William, George, Frederick, Anna, Gertie and Elsie.

George Mathes was born in Hunspach, 1 Dec 1833. He followed carpentry for about 20 years. In 1860, he purchased a 64-acre farm north of Canaan. In 1884, he traded for the farm he now owns, consisting of 140 acres.

On 2 Feb 1860, he married Christina Hass, daughter of Balser Hass of Canaan Township. She was born 24 July 1839 and died 10 Feb 1872, aged 32y 6m 16d, leaving 4 daughters, two sons having died in infancy. They are: Alice Arminda, b 3 Apr 1864; Emma Claretta, b 15 Mar 1867; Ida Jane, b 7 June 1869; and Martha Matilda b 23 Jan 1871.

Alice married Ernest Benjamin & has one son, Miles. They lived in Creston. Emma, since the death of her husband, W.E.Zehner in 1898, has lived in Creston. She has 4 children: Zoe, Margery, Mary and Hobart. Ida is married to DeForest Smith & lives between Creston & Canaan. They have one son, Melvin. Martha is married to Howard Shaw & has 3 children: Hazel, George & Barbara. They live north of Creston.

On 17 Feb 1875, George Mathes married Louisa Galwitz, daughter of Charles of Holmes County. She was born 7 May 1841. Two children were born: Jessie Dell, wife of Claude M. Lee, living at LeRoy Ohio, and Charles Bennett, who lives in Toledo. Charles married Mabel Helder, daughter of J.C.Helder of Deshler, Ohio, and has one daughter, Marietta.

It can be said with pride that the Mathes family has always been interested in religious affairs. Although not now members of the same congregation (Reformed), their interests are with the evangelical churches in which members of the family hold prominent places as ministers or lay officials.

Appendix by C.B. Mathes

In 1902, George Mathes moved from his elegant country home to Creston, Ohio, where he is now spending the sunset of a well-spent life. He is within easy reach of all his children and is the fond grand-parent of a half score of grandchildren who love to gather about his knees and call him "grandpa." Despite his gray hairs he is well preserved and his children unite in calling him "blessed." That he may long live to enjoy the blessings of a truly christian and upright life, is the hope and prayer of all his children. His legacy to them will be the noblest legacy of them all, a fair, unblemished name, a name which is the synonym for hoesty, for integrity, for the best there is in life, a name against which no man can say aught.

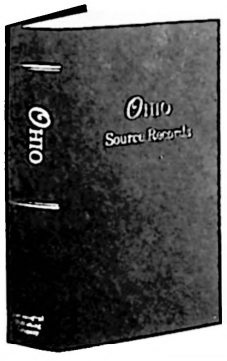
The Premier Books in
OHIO GENEALOGY

OHIO SOURCE RECORDS. From *The Ohio Genealogical Quarterly*



Derived from a source so scarce that few genealogists today are even aware it existed, OHIO SOURCE RECORDS is a terrific aid for research throughout Ohio and especially Franklin County. Founded as a publication of the Columbus Genealogical Society in 1937, the *Quarterly* claimed all of Ohio as its domain. By the time it ceased publication in 1944, it had turned out a voluminous body of data, chiefly cemetery records, tax lists, newspaper abstracts and vital records, with references to 45,000 Ohioans.

[illegible] pp., indexed, cloth. 1956. **$35.00**

EARLY OHIO SETTLERS. Purchasers of Land in Southeastern Ohio, 1800-1840
By Ellen & David Berry

This definitive work presents a complete list of the 7,500 persons who bought land at the Federal Land Office in Marietta between 1800 and 1840. The information provided includes the names of the purchasers, date of purchase, place of residence at the time, and the range, township and section of land acquired. Companion volumes for the three other Federal Land Offices in Ohio are forthcoming.

144 pp., maps, cloth. (1984). 1985. **$15.00**

EARLY OHIO TAX RECORDS. With "Index to Early Ohio Records"
By Esther Weygandt Powell

This is the first book the researcher should turn to in any genealogical investigation in the Buckeye State. It gives a county-by-county list of Ohio settlers and residents from about 1800 to 1825. Along with the 1801 tax list of the Virginia Military District, it contains the names of taxpayers listed in various county tax tolls, and it also contains lists of original proprietors and settlers, as well as other sources, altogether covering 75 counties and comprising about 50,000 taxpayers.

[illegible] **$37.50**

OHIO MARRIAGES Extracted from *The "Old Northwest" Genealogical Quarterly*

By Marjorie Smith

For this compilation Marjorie Smith extracted all the marriages recorded in *The "Old Northwest" Genealogical Quarterly* and prepared them in a single alphabetical sequence. Altogether some 10,000 brides and grooms found in the records of a dozen Ohio counties are listed here with the date of their marriage, the name of the county, sometimes the name of the church, and the name of the person performing the ceremony.

350 pp., cloth. (1977), 1986. **$17.50**

OHIO CEMETERY RECORDS Extracted from *The "Old Northwest" Genealogical Quarterly*

This companion volume to Marjorie Smith's OHIO MARRIAGES comprises all the cemetery records originally published in the fifteen volumes of *The "Old Northwest" Genealogical Quarterly*. Consisting primarily of tombstone inscriptions from cemeteries in northeastern Ohio, OHIO CEMETERY RECORDS is rich in genealogical value since many of the inscriptions identify not only the age and date of death of the deceased, but the names of his parents, spouse and children. Twenty thousand persons are identified in all.

495 pp., indexed, cloth. 1984. **$25.00**

KENTUCKIANS IN OHIO AND INDIANA

By Stuart Seely Sprague

Prior to the Civil War nearly one-third of all native-born Kentuckians lived outside of the state, including a good many in Ohio and Indiana. Drawn from published county histories and county atlases, KENTUCKIANS IN OHIO AND INDIANA is designed to assist genealogists seeking ancestors from Ohio or Indiana who were originally from Kentucky. The entries in this work include some or all of the following information: the name of the migrant, his birthdate, the names of his parents and their dates and places of birth, and the date of migration. There is also a full name index to more than 10,000 persons.

302 pp., indexed, cloth. 1986. **$22.50**

PIONEER OHIO NEWSPAPERS
1793-1810
Genealogical and Historical Abstracts
by Karen Mauer Green

These abstracts of the earliest newspapers in Ohio include over 30,000 references to the early settlers of Ohio and the Northwest Territory. The entries include news of residents from all the Ohio settlements. The bulk of the information concerns ordinary people such as farmers, merchants and artisans, but prominent Ohioans are also well represented.

The book contains a wealth of information on these pioneers in the form of marriages, obituaries, elections, court records, probate records, early advertisements, heirs, estate settlements, divorce, local events and disputes, military expeditions and much, much more. Each abstract contains enough information to explain the context of the advertisement or article. A complete index of persons, place-names and subjects is included in this 300 page, hardcover book.

Pre-publication price is $21.50 (plus $1.50 shipping and handling) until May 1, 1986, and $25.50 (plus $1.50 shipping and handling) thereafter. Texas residents must add 5% sales tax. To be printed in March for delivery in June, 1986. Reserve your copy early!!
